**“America’s Future” Memorial Scholarship**

Our Memorial Scholarship is to assist the children of United States Military Veterans or Active Duty personnel in achieving their goals and dreams by attending a post high school education. In recognition of those who serve or have served, we offer support for their children's future.

Eligibility:

- High School seniors who are accepted into a post high school education program. i.e. a university, college, vocation/technical or specialty school.
- A child or stepchild of a United States Armed Forces veteran or active duty member with verified combat or submarine service.
- A completed application along with a copy of the parent's DD214 Form or Active Duty Record with Combat Deployment.
