

CVI Business Cards

You are free to have your business cards made by anyone anywhere. However, Applied Digital Imaging in Bellingham has the templates for a variety of conflicts if you would like the cards shown below. Prices vary and you will have to contact ADI yourself (or talk to Tracker Jack, the National Product Sales Manager, who lives near Bellingham). They are very easy to work with but make sure that you check the sample carefully for correct information and layout including conflict patch.

Their contact information is:
