Notes:

A zero ("0") highlighted in past months means that the chapter hosted the meeting during that month and their duty numbers start over. A "0" highlighted in future months means that the chapter will host the meeting during that month and their duty numbers will start over.

The chapter with the highest number in future months means that chapter should be scheduled to host the meeting during that month. If more than one chapter has the highest number then they must decide among themselves which chapter will host the meeting.

All meetings are to be held at Moses Lake with the exception of the July meeting.

July meetings are on a cycle that is different than the normal quarterly cycle and is to be held at a location voted on during the previous October
